By signing this document, a journalist, blogger, photographer or videographer (more — the Journalist) understands and agrees with the following:

- To get access to photo/video locations in the immediate vicinity of the race track, the Journalist must complete a safety briefing (including the rules for using copters) and then get a special vest
- For the time of the event, the Journalist must provide himself with personal accident insurance in order to protect the organizers, promoter, participants and partners of the event from claims arising in the case of a life and health damage of the Journalist
- **In order to get access to the event, the Journalist MUST provide QR-code or a certificate of COVID-19 vaccination or PCR-test results or a medical exemption from vaccination**
- The journalist undertakes not to distort the official name of the event "Baikal Mile" and the names of the participants of the event when publishing it
- The journalist guarantees that he will not edit or use the materials received at the event in a manner that will negatively affect the reputation of the organizer, partners and participants of the event, officials, as well as the sport itself
- Violation of the above conditions and rules may result in denial of accreditation and denial of access to both the current event and future events
- This media accreditation form grants the event organizer the right to make commercial use of the visual images obtained at the event
- At the request of the event organizer, the Journalist undertakes to provide links to published materials (in the case of print media — copy of the publication, TV — a copy of the story or a link to it on a public Internet resource)
